

ON FRIDAY, NOVEMBER 5TH AT THE BRIDGEWATER MANOR,

remember Michelle...

AND HELP US CHANGE THE LIVES OF
PATIENTS WITH CANCER.

Michelle, a graduate of Bridgewater-Raritan H.S., passed away on November 1, 2007 from Gardner's Syndrome and complications from cancer. She was a talented artist and web designer, just 26 years of age, who had a passion for art, wine, *and life!*

Join us at the 3rd annual memorial event to celebrate Michelle's life and spirit.

You'll enjoy a **buffet, cocktails, dancing, raffle baskets, and more**, while your donation will benefit a young cancer patient.

This year's proceeds will help Lina Cardona, a 22-year-old Lake Hopatcong resident who is battling malignant melanoma.
