Dear Deb,

I would like to extend my heartfelt thanks to you and GráficaGroup for your generous contribution to the American Red Cross. I was deeply touched by the beautiful card and the creative way in which your company encouraged individuals to support the Red Cross.

Your contribution is an investment in communities across the country. Thanks to you, within hours of a disaster, the Red Cross can provide meals and open shelters for those who would have nothing to eat and nowhere to spend the night. Caseworkers can go door-to-door assessing damage and providing residents with the tools they need to get back on their feet.

Through our partnership, we can connect blood donors with those who need the precious gift of life, provide lifesaving training in first aid and CPR and train volunteers to assist our country's service members on the front lines of war and at home.

I'm truly grateful for your support, Deb, which helps to ensure that the American Red Cross is there today and tomorrow for those in their greatest time of need. Thank you again for thinking of us.

Warmly,

A handwritten signature in cursive script that reads "Gail".
